INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Samantha Jeffrey,

Wagoner, Okla.

Madam:-

Relative to your application #7407 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your father and grandfather, and that your grandfather's name was Lewis Hicks, will say, I cannot find anyone enrolled under the name of Lewis Hicks in 1851. Are you sure that Lewis Hicks was alive in 1851? In what year was your father born, and where did he reside if living in 1851? When was your mother, Sarah Hicks, nee Fields, born, and where did she reside if living in 1851? Were her parents alive in 1851? If so, what was their place of residence? Have you any aunts and uncles alive who have filed applications for a share in this fund? If so, please give their names and the numbers of their applications, as well as any other information you can have regarding your Indian ancestors on the roll of 1851.

Your prompt reply will be appreciated.

Sir:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, kindly state why your name and those of your parents do not appear on the Cherokee rolls of 1835 and/1851.

Do you claim any Cherokee relationship whatever through your mother? If so, set out the same. Does your wife claim any Cherokee blood?

You state in your application that your grandmother, Nancy Ward nee Foly, is on the Cherokee rolls. No one by the name of Nancy Ward or Nancy Foly appears to be on the rolls. If you claim she was rolled, state upon what name she was rolled.

Were you ever rolled and given the rights of your parents in the tribe? If so, state when and where and what action you or they took in the matter of their enrollment.

Have you ever lived with the Cherokee tribe and take part in their councils? If so, state when and where living with them, and when if at all you severed your relations with the tribe.

Give all the information you can to this office which may affect your right to participate in said fund.

Francis M. Whelchel, after being first duly sworn, deposes and says:

I am 65 years of age; was born in Cherokee County and have lived here all my life. I claim Cherokee Indian blood through my mother. W have never received any Indian money from the government and my mother never did. In 1852 I lived in CherokKee County. I heard of Hester being in this part of the country but never saw him. My mother was a recognized white woman. I do not remember my grandfather. Never saw him. My mother first told me of my Indian blood. She said her father, Thomas Buffington, was a half Cherokee Indian. I have heard of the Buffingtons but do not recollect ever seeing any of them. From what I have heard I think my grandfather lived with the Indians.

Your favour of the 9th inst. came duly to hand & I am glad to learn that you & yours are well. I hope to not less well satisfied to hear that I do not thoroughly understand the objections existing to the Treaty between the United States & the Dey & Regency of Algiers. Until I receive the official documents relative to the subject, I cannot form a correct opinion of the objections

I can not enough express my
memorial of Christian sincerity
& steadfastness.
In regard the Civil Relation
which now forms between
us, I feel comfort in my
decision that I am not
in any way responsible
for the present state of
affairs in Alabama
& think, can safely claim
the proof that my self, conscience
& duty, prompted me to
act as I have done.
I remain, respectfully at my home & with
my family, ready if necessary to serve
the Confederacy.

Madam:-

Relative to your application #7431 for a share of the money appropriated for the Eastern Cherokee Indians, you state that you claim as a descendant of Martin Lankford, who was your grandfather, and who married an Indian woman by the name of Nancy Crow. Was she said Nancy Crow a full-blood Cherokee Indian, or was she part Indian? If so, what was the name of her tribe? Was she living in 1851, when the roll of said Indians was made? If living in 1851, where did she reside at that time? Why, if your grandfather, Martin Lankford, was a Cherokee Indian, was he not enrolled, and why are your father, Asa Lankford, not recorded in 1851? Do you know of any reason for the non-enrollment of your ancestors--that is, why they were not enrolled?

Your application will be considered.

Respectfully,

Special Disbursing Agent.

I cannot be positive as to her place of residence in 1835. But suppose she resided in Alabama with the Cherokees as my grandfather Martin Lacefield left her in Ala. with the other Indians in 1833 when he came to this country the present county of McNairy
I do not know why my father and grandfather were not enrolled unless it was because there was no one here or authority -
My information is that my great grandfather David Lacefield died previous to the year 1835.

Dear Sir. 7+3/ Ref

In regard to my ancestors- beg to advise you, that there is a mistake in your communication of recent date, relative to my grandfather- as he was not the husband of Nancy Cross- It was my great-grand-father David Lacefield who married Nancy Cross, and David Lacfield was the father of Martin Lacefield and Nancy Cross was the mother of Martin Lacefield, Martin Lacefield married a woman by name, Polly [illegible]- My father Ben Lacefield was a son of Martin Lacefield

Nancy Cross was a full blood Cherokee Indian

Supplemental statement to exceptions to roll of emigrants, in the non-recognition of Bettie Rogers, for share in the fund---

The Hon. Court of Claims Clerk--

In the case of Bettie Rogers, for share in the court and for Eastern Cherokee Indians, now under settlement--I received from Hayden & Merrillat attys of your city a notice in the case, stating the fact that said applicant Bettie having been born since 1906 she was not entitled--as she was not living Sept 25th, 1906---

An error, and how arising I am unable to understand, should not be surprised at the fact, operating thousands of miles distant, one is loath to understand the process of adjusting just such cases--

This Bettie I am applying for is now in her 17th year of age--she is the sister of Mattie Rogers who appears as enrolled under appl. #7432. roll #28,405.

You will see her name, Bettie as entered in her Mattie application in 1906 as being then 17 years of age--and those facts are why I apply for her as I did, as an exception to the roll in order to obtain [illegible]

Sir:-

You have on file in this office an application for one Lee To-hee, whom you claim to be of Cherokee Indian blood, stating that his father was De-lee-tah; that he was born in the East; and that his mother's name was Polly De-ne-le-lun, or Polly Foster. I cannot find the names as you have given them upon the roll of 1851. You further state that they were never enrolled in any annuities, land or other benefits. If they were Eastern, or Emigrant, Cherokee Indians, their names would appear upon the 1851 roll. If they were living in the East at that time (and you state that they were) why were they not enrolled? Who were the grandparents of said Lee To-hee, and, if living, where did they reside in 1851? Was your client, said Lee To-hee, ever enrolled in any annuities, land or other benefits as a Cherokee Indian? Is Lee To-hee both a Cherokee Indian and an Indian by blood? Or what degree of Cherokee blood was his mother? You be so good as to fill-down properly below, or if a duplicate, can, if by letter, or make a literally exact duplicate hereof and fill down properly. It is absolutely necessary that we have all the information we can obtain in order to identify the applicant, in order to be able to ascertain if there is any objection to the granting of his application.

BERNARD M. HARDWICK, MANAGER

HALL-FLOYD BUILDING.

Pawhuska, Oklahoma, March 21, 1908.

Honorable Guion Miller,

Special Commissioner,

Washington, D. C.

Dear Sir:

Referring to application 7442 of Lee Te-hee to be enrolled and participated in the payments of the Eastern or Cherokee emigrant Indians, will say in answer to yours of January 7th, to the undersigned, that Te-hee says that his father died in the East about the year '65; that his mother soon after his death emigrated to the Choctaw Nation when applicant was six months (6) old; that his father was a full-blood Cherokee, and his mother the same .

Their location with reference to states is unknown to the applicant; neither can he say who his grand parents were, or when they died.

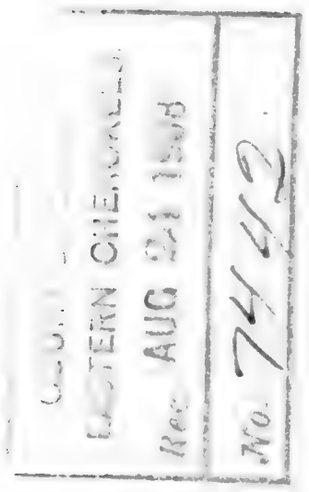

His mother, Polly Do-no-ho-lun or Polly Foster , he says died 26 years ago in the Canadian District, Cherokee Nation, and was the wife of George Griffith, who was also a full-blood Cherokee; all he knows of her enrollment is that she participated in the annuities and benefits.

Te-hee is enrolled in the Cherokee Tribe and his roll number is 30453 and his certificate number is 14859; I believe that this is all the information that he is able to give at this time. I think he was mistaken in the application when he said that he had never been enrolled in any annuities or other benefits, as he now tells me that they were so enrolled.

Respectfully yours,

H C Hargis

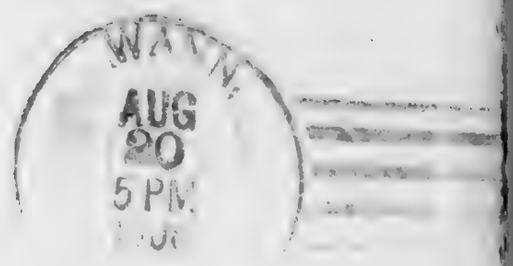

Unclaimed.

App. No. 7444

Susie L. Waller being first duly sworn, deposes and says:

That I am 39 years of age. I was born in Saline District. I got the strip payment in 1894. Am enrolled by the Dawes Commission, No. 13057. I get my Indian blood from my mother. Her name was Nellie Christie. She married Hayes. My father was a white man. My mother is dead. She has been dead 18 years and was about 36 years of age at the time of her ~~xxxx~~ death. She was born after 1851. My mother got her Indian blood from both parents. Her father's name was Watt Christie. Some say he had another name but I don't know what it was. I saw his name signed "Walter". He enlisted in the war as "Watt". In the division of the estate, I saw his named signed as "Walter". He lived in Saline District. John was a brother of Watt Christie. My mother's sister was Kate or Kathrine. William and Lewis were the names of her brothers. My application is filled out Walter or Walt as my grandfather, but that was a mistake. It should have been Walter or Watt. Watt had an old-maid sister, Betsy. One of my witnesses gave my grandmother's name as Nancy, but I believe it was Elizabeth. Mrs. George Clark and her husband are the ones who stated that my grandmother was named Nancy. They were not present at the time my application was made out, but I took their statement in preference to mine as they are older and know much more about my ancestry than I do. I never associated with any other tribe of Indians. None of my people ever received Old Settler money. None of them were ever regarded as Old Settlers. (See Sal. 223). I have always been regarded as an Eastern Cherokee.

Jennie Bowlow,

Okm, Okla.

Madam:-

Relative to your application #7464 for a share of the money appropriated for the Eastern Cherokee Indians, in which you give the names of your father as Ji-yu-gar-mi-si-on and your mother as Arly, will state that these names cannot be found upon the roll of 1851. Evidently they are not spelled as they were spelled in 1851. Will you please find out where your father was living in 1851; whether he was married to your mother at that time; under what names they were married, and in what district? If you have any uncles or aunts who are applicants for this fund, and who have filed claims in this office, kindly give their names and the numbers of their applications.

Your early reply will be appreciated.

Respectfully,

Special Commissioner.

WO/AIL

#7464

Betsy Hogshooter, being duly sworn, thru her Interpreter, Martin Squirrel, deposes and says:-

My name is Betsy Hogshooter, Jennie Scarpaw, #7464 is my mother. My mother was born in Flint District in 1856. My mother was not enrolled by the Dawes Commission. She was opposed to the allotment of land. My mother is a full-blood Cherokee. I have heard my mother say that she had t o brothers living in 1851. Their names were Choo-sa-leetah --- I do not know the name of the other one. (see App. They are not living at the pre ent time. My mother parents were Dragging Canoe(Cherokeename- Gee-you-gah-nuh-see-nih) and Ah-le. I think my mothers parents were living together in 1851. I think they were enrolled in Tahlequah District in 1851. (See C. R. for the names of mother and father of Jennie Scarpaw, Group No. 577) I have heard it said that my grandfather Ah-ly had three brothers in 1851 but I do not know what their names were. I never heard of my mothers parents living in Going Snake District. My grandparents lived near the Going Snake District line--about three or four miles from the line I think.

I do not know the names of any of the grandparents of my mother. I do not know why my mother did not put them in her application.

None of my mothers ancestors were Old settlers. I think that my mothers parents came from the Old nation to the Indian Territory. I do not know what time they came but I think they came when the Emigrants came to this country. All the ancestors of my mother have always been of the Cherokee tribe. My mother and I were enrolled in 1901 separately-she in one place and I in another- and both of us drew the Strip Payment.

My mother had an aunt by the name of Nah-tah-you ah but I not know on what date she is related to my mother. I do not know where she was enrolled in 1851. She is living at the present time in Tahlequah District and has been living there for a long time. Her name at the present time is Polly Ta-ga-yuh-tuh. P. O. Locust Grove Okla.

Dear Sir:-

Relative to your application #7465 for a share of the money appropriated for the Eastern Cherokee Indians, in which you claim through your father, Saide Hogshooter, and your mother, Lucy Hogshooter, will state that the names as you have given them do not appear upon the roll of 1851. Were your parents married in 1851? If so, where did they reside, and in what district were they enrolled? If your father was not married to your mother in 1851, please give date and cause; also the names of his father and mother. Were your parents known as "Old Settlers"? If you have any uncles or aunts who are living and have filed applications in this office, please give their names and the numbers of their applications.

Your prompt reply will be appreciated.

Respectfully,

Chief Clerk.

Relative to your application #7471 for a share of the money appropriated for the Eastern Cherokee Indians, you st to that your mother was born in the Creek Nation, and that she is still living. Is your mother a Creek Indian, and, if not, to what race does she belong? I cannot find the name of your father, John Matoy, on the Eastern,or Emigrant,Cherokee Roll. Were your father and his parents what are known as "Old Settlers"? Why has your mother, Charley Matoy, not filed an application in this office?

Your prompt reply will be appreciated.

Sir;

I found out today that, my wife and children were entitled to a share in the emigrant moneys that are to be paid out soon.

I have been under the impression all along that this money was to be paid out the same as the old settler money, thinking this to be a fact, I knew that I would only get my fathers share, and I dont think I ever made application for my wife or children who were all living on May, 28th, 1906.

My wifes name was before marriage Maggie M Mayes, a daughter of William I Mayes, now I dont remember making any application or ever getting any notice that such was the order of the court,

Now there fore is it to late to put them on this roll, if that be the case there are hundreds of people who will loose out when as a matter of fact it is no fault of theirs.

We are on the Cherokee roll as follows,

James P Thompson,

Maggie M Thompson,

James M Thompson,

Claude E Thompson,

Hon. Guion Miller,

Washington, D.C.

Sir:-

In the matter of the application of my wife, Mary D.Balentine, (No. 7475,) for a share in the "Emigrant" or Eastern Cherokee money, I desire to ask, whether the names of the parents, or either of them, of said Mary D. Balentine, appear on the said Emigrant rolls of 1851.

The name of the father of said Mary D. Balentine, was Anderson Johnson, who, in 1851, lived either in Flint District, or Skin-Bayou District, Cherokee Nation, Indian Territory; and the name of her mother was Lucy Dameron, at that time, she having not yet married the said Anderson Johnson, and her name should appear on the rolls of Flint District, Cherokee Nation, Indian Territory.

In cases where the names of claimants, or their ancesters, through whom they claim a share in this Emigrant or Eastern Cherokee money, do not appear on the rolls of 1851, would they be allowed to present testimony to prove their claim?

Thanking you, in advance, for an early reply, I have the honor to remain,

Very respectfully yours,

I am the Admr. of the estate of George D. ~~Downing~~ Downing, who died in Feb. 1906. I filed this application under the impression that it was proper for me to file it because I was the Administrator. All these children for whom I have filed are of age and married and have filed separate applications. I do not know their numbers. Carrie Downing filed her application under the name of Whitewater. She is the youngest of these children and she is about 23 or 24. All these children are Night Hawks and I do not think any of them were enrolled by the Daws Commission except Annie Johnson.

of enrollment. Allen Lynch

App. #7498.

January 9,1908.

Allen Lynch,

Ketchum, Okla.

Sir:-

You have on file in this office application 7498 for the children of William E. Downing and Loutishia Downing, in which you state that they base their claim upon the fact that their father, grandfather and grandmother on the father's side are upon the roll of 1851. Do you know whether their mother, Loutishia Downing, was enrolled in 1851? If so, in what district, and with whom, was she enrolled? Was her father, Lund Battlingcourd, an Eastern, or Emigrant Cherokee Indian, or what was known as an "Old Settler"? If an "Old Settler", was Loutishia Downing enrolled on the "Old Settler Roll"?

A prompt reply will be appreciated.

Respectfully,

Special Commissioner.

Madam:-

In your application #7500 for a share of the money appropriated for the Eastern Cherokee Indians, you state that you claim through your father, William Foreman, and your grandfather, Joseph Foreman. You also state that your mother, Lucinda Foreman, nee McLane, was a Shawnee Indian;therefore,she cannot possibly be on the roll of 1851. Was your father married to your mother as early as 1851? Where did they reside in 1851--that is, in what District? Please name your father's brothers and sisters who were living in 1851. Do you know of any children of your father's brothers and sisters who are now living? If so, please give their names, and if they have filed applications for enrollment in this fund, please give the numbers of their applications. You state that your father was living in the Delaware District in 1851. I am so advised that there is no one on the roll by the name of William Foreman enrolled from the Delaware District. Please find out positively where your father was residing, and in what District he was enrolled. Did your mother reside in the Cherokee Nation with your father, and was she associated with the Cherokee Indians?

Your prompt reply will be appreciated.

Ap. #7501.

January 9, 1910.

James C. Scruggs,

Cholsea, Okla.

Sir:-

You have on file in this office applications #7301 and #3084 for a share of the money accumulated for the eastern Cherokee Indians, in which you state that you base your claim to Cherokee blood by right of descent, your mother, who was the daughter of Pleasant Peek and Mary Peek, full bloods. You further state that you do not know whether they were ever enrolled, and that you have never been enrolled for any money, annuities, land or other benefits in the Cherokee Nation. Who was your full-blood Cherokee Indian ancestor from whom you claim descent? Where did he or she reside in 1835, if living at that time? I notice that you state in answer to question 10 that your great grandfather on your mother's side was Charles Evans, a Cherokee, and that your mother's grandfather on your mother's side was Jonathan Evans, a Cherokee who lived in the Cherokee Nation in North Carolina. I cannot find the name of Jonathan Evans, Charles Evans, or Mary Evans upon the roll of 1835. Why were not these people enrolled? Did your full-blood ancestor, whoever he or she may be, live in the East in 1835, or in the West?--that is, were they living in the East, in what part of the west did said full-blood people reside in 1835 or 1851? Do you know of any reason why your ancestors, who were living in the Cherokee Nation, were not enrolled in 1835 or 1851? You also state that Peter Peek, your

grandfather on your mother's side, was a Cherokee. Of what degree of blood relationship was he to a full-blood Cherokee Indian? Was Benson Pack, your grandfather, living in 1851? If so, where? Please give the history of your Indian ancestors on your mother's side---that is, history of the Packs--stating whether or not any of them to whom you are related by blood were ever enrolled. If you know of any of them who were enrolled, please give their names and state where they resided in 1851.

Your prompt reply will be appreciated.

My name is George W. Scruggs. My age is 56 years. I did not file for myself as I do not have any Indian blood. My sons claim through their mother. I came here in the year '70. James C. and John P. and D. G. Scruggs are my sons. They get their Indian blood from their mother. Cherokee. She came from Tennessee near the North Caroilina Line. Her maiden name was Julia Ann Pack. My wife was not enrolled by the Dawes Commission as they promised us that they would fix it, but they never did. They were rejected. She was not enrolled for the strip money. Did not make application, as they kept us out from time to time, after getting money from us. My wife has been dead 20 odd years. She died in 1883 atthe age of about 38 years old. I don't think she was enrolled in 1851 as they were scattered about. She got her blood from her father, Mary Evans. She married Benson Pack. She got some blood from her father too. I don't know whether Mary Pack was enrolled in 1851. She got her blood from her father Chas. Evans. He was born and raised in North Carolina. I cannot find out whether he was enrolled. HensonPack got his blood from his mother, I think she was a Crumby. I don't know whether any of these people were enrolled. My wife's people lived in Tennessee in 1851 and they were not enrolled, as his wife was a white woman and her husband would not make a livin for them. They were probably away from the tribe. My wife's mother had a brother John, Tom, and a sister by the name of Prudence. Her father had a brother Elias Pack, now dead. I don't know anything of my wife's grandparents except a brother Jack. I do not know whether any of them were recorded as Old Settlers. I do not know whether they ever joined any other tribe. I don't know whether any of them were parties to the treaties of 1835-6 and 1846. The Evans must be on some Rolls.
